SOCIETÀ TRA AVVOCATI

IP/IT

The lawyers in the Intellectual Property & Information Technology team are specialised in advising on legal aspects of intangible assets. They provide a wide range of advice, both in strategic evaluation and analysis, in business development, and in operational matters, with assistance from a network of patent agents and correspondents around the world. They are also engaged in corporate and industrial litigation in all the relevant venues.

Head of the team:

FRANCESCO RAMPONE (Of Counsel)
